5. The member shall own, operate, and maintain all necessary equipment for receiving electric energy and all telemetering and communications equipment, within the member's premises, required for interruptible service.
6. The minimum original contract period shall be one year and thereafter until terminated by giving at least sixty days previous written notice. The Cooperative may require a contract be executed for a longer initial term when deemed necessary by the size of the load and other conditions.

Calculation of Monthly Bill

The monthly bill is calculated on the following basis:

- A. The demand and energy charges of the bill shall be calculated consistent with the applicable provisions of Rate Schedules 4, IND B1, IND C1, IND C2, IND C3 and G.
- B. The interruptible demand credit shall be determined by multiplying the interruptible demand for the billing month by the monthly demand credit per kW and applied to the bill calculation.
- C. All other applicable bill riders, including the Fuel Adjustment Clause and Environmental Surcharge, shall be applied to the bill calculation consistent with the provisions of those riders or special contracts.

T
↓**Number and Duration of Interruptions**

- A. There shall be no more than two (2) interruptions during any 24-hour calendar day. No interruption shall last more than twelve hours.
- B. The maximum number of annual hours of interruption shall be in accordance with the member contracted level of interruptible service.
