

Privacy Statement

We will only collect and use information for core business purposes: Individual privacy is very important, so we will only collect and use information needed to offer and fulfill our core business purposes. We will be lawful and fair to the individual whose data we are storing and will retain only what we need to maintain our relationship with them. This means we will not disclose information for an unrelated purpose without the consent of the individual or by authority of law.

We will strive for data quality: Our ability to successfully implement our business is dependent on maintaining accurate information. We will strive to keep information we hold about customers accurate.

When you visit our web site or use our mobile app, these pieces of equipment may automatically collect some non-identifying information about your visit. This information can include time you spent on the site, number of pages you viewed, type of browser used or your computer's operating system.

We do not collect personally identifiable information about you (such as your name, address, or telephone number) unless you voluntarily provide it to us via one of our online forms. We take reasonable steps to protect personally identifiable information as you transmit it to our site and to protect such information from loss, misuse, and unauthorized access, disclosure, alteration, or destruction. You should keep in mind that no Internet transmission is ever completely secure or error-free. In particular, e-mail sent to or from this site may not be secure.

Content on Inter-County Energy's website may include technical inaccuracies or typographical errors, and we are not responsible for any reliance you may place on the content. Inter-County Energy may make changes to the content and the products, services and programs described in the content at any time without notice.

References that we make to names, marks, products or services of third parties or hypertext links to third-party websites or information do not constitute or imply our endorsement, sponsorship or recommendation of the third party. Third party information or links are made available to you as a convenience and you agree to use such third party information at your own risk. We do not monitor or control the content of any websites linked to or from our website, and therefore we are not responsible for the content of any websites linked to our site or the terms of use or privacy practices employed by those other sites. If you should link to a third party website from Inter-County Energy's website, we strongly encourage you to review and become familiar with such third party's website and its privacy policy.

Inter-County Energy will be open about how we use data, we do not trade or sell your personal data to third parties, or use cookies.
