

A Touchstone Energy Cooperative 

WERE THOSE HIGH HEATING COSTS DIFFICULT TO BUDGET? LET US DO THE LEVELIZE BILLING PROGRAM FOR YOU.

Inter-County Energy offers a Levelize Billing Program for residential members that will ease the burden of high bills and allow you to pay an average bill each month. The Levelized amount is based on the average consumption for the most recent 12 months. The bill amount will not be exactly the same each month, but will increase or decrease only slightly as the consumption pattern changes. So, there are no extreme fluctuations in payments because of seasonal increases and decreases in electric power usage. This is a continuous plan and there is no account settlement (catch-up) month. **Account balance must be at zero to start.** Failure to pay the exact amount by the due date each month may result in removal from the Levelize Billing Program. At the time you request to be removed from the program or when you have your service disconnected, all accumulated debt shall become due and payable or any credit accumulated shall be refunded or credited to the account.

Inter-County Energy can choose to remove you from the plan if any of the following occur:

1. Failure to make scheduled monthly payment.
2. Account becoming delinquent.
3. Disconnection of electric service.

It's Easy to Join

If you have been on service with Inter-County Energy for **12 months** or longer at your current location, we can help you to levelize your payments. Sign and mail in the application for Levelized Billing or call our office at 1-888-266-7322 (toll-free) or 859-236-4561 for more information if you would like to level out your household budget before the heating or cooling season catches you with high bills.
